

SERVICES PRESENTATION

WHO ARE WE?

Agropasión is a rural tourism company founded by **Joaquín Arce and Justo Arce**, Business Administration graduates deeply connected to rural life.

With an entrepreneurial vision and a strong commitment to quality, we created a project that combines **tradition, hospitality, and professionalism, elevating rural tourism to a high-level experience.**

Location: just 45 minutes from Buenos Aires, in Pilar.

Mission: to offer authentic, customizable rural experiences that connect people with the culture and tradition of the Argentine countryside.
